NOTE TO TOM KUCHENBERG, OS/ES:

Subject: Correspondence from Mr. and Mrs. Jack and Sharon Cody, urging President Bush to ban genetically modified crops (OS # 120220030115/FDA trac # 03-5958) -- CLOSE OUT

This letter comments on FDA's biotech labeling regulation and the proposed rule (FDA docket 92N-0139). We have sent this letter (copy) to our Dockets Management Branch to log in as a comment on the subject proposal, which is the standard procedure for handling comments on a proposed rule. We do not intend to respond to this letter, since any comments received on the proposal will be addressed in the preamble when a final rule is developed. Thank you.
